

The Forests Dialogue

STEERING COMMITTEE MEMBER

Ivone Namikawa

Ivone works in Forest Sustainability at Klabin SA. She plays a leading role in the company's local, regional and global engagement with non-governmental organizations and sector associations. Ivone represents Klabin at the FSC – Forest Stewardship Council, TFD - The Forests Dialogue and in different Committees at IBA – Brazilian Tree Industry. At FSC, besides representing Klabin, Ivone is a member of the Policy and Standards Committee at FSC International. Ivone has extensive experience. She has been working in Klabin Sustainability staff for six years. Previously, she developed her career at Klabin as a Tree Breeding Specialist (fifteen years) and Forest Research and Environment Coordinator (ten years).

Ivone holds a BSc in Forestry from Sao Paulo University (ES-ALQ-USP) and a MSc in Forestry from the Federal University of Paraná in Environment and Forest Management, with emphasis in social and environmental issues and forest certification.
