# Reflections from the 2 days

- Women's Exclusion is a result of social/ cultural factors;
- Is the forest sector special/different compared to the other sectors?
- Benchmark, learn from the other sectors' best practices
- Champion/ role models, success stories
- Education, awareness, leadership training:
  - Women have a lot of leadership potential: educate to lead!
- Networking, mentoring and experience sharing
- Confidence building and proactive approach (Chelibeti women CFUG and 64 ha)
- "Make it a business case" ; "Equality Means Business"
- Allies at higher levels needed: institutional/professional level inclusion of women
- Need to address household level resistance: education of men
- Women's limited access to Resources
