"Participants are free to use the information received, but neither the identity nor the affiliation of the speaker(s), nor that of any other participant, may be revealed".

Ground Rules

- Use mobiles and computers during breaks
- No video

TFD's Process

Spirit of Participation

- Active listening
- Constructive, solution oriented interventions
- Participate as individual
- Help define and own the outcomes
- Facilitation “light”

Investing in Locally Controlled Forests

“There are huge opportunities to invest in small-scale or community-based forestry projects that achieve a decent return on investment whilst advancing environmental and developmental goals. However, current financing mechanisms are not oriented to this sector, except in some specific and quite limited examples.” *Elson*

ILCF Initiative - Objectives

1. Ensure that investment streams strengthen LCF and address concerns
2. Bridge the gap between investors and three rights groups
3. Build investment preparedness among all actors
