Purpose of TFDs “Scoping”

- Small group of invited participants are asked to share their experience and “weigh-in” on TFDs ability to positively address challenges;
- Intended to be an initial foray into a challenging, forest related issue;
- Listen, learn and share broad range of knowledge and experience;
- Not driving toward solutions...yet. Focus on key questions and opportunities for progress.

Objectives of this Dialogue

- Explore progress made on IMPF since 2008, in the context of the recommendations of TFD's 1st IMPF initiative;
- Explore the changes in the global context of IMPF and their implications;
- Identify current fracture lines and work to build a shared understanding of drivers, and a shared vision of and best practices for IMPF.

Thank You!
