Ecosystem Restoration in Indonesia

22-26 April 2024 | Samarinda, East Kalimantan

Meeting Locations

Dialogue Opening Presentations and Reception

Pendopo Odah Etam, Governor Office of East Kalimantan

Field visits Tuesday and Wednesday departure from

Puri Senyuir Hotel, Jl Ruhui Rahayu No. 26,

Gn Kelua, Kec Samarinda Ulu

Dialogue meeting Thursday and Friday

Mulawarman University, Rectorat 4th Floor, Jl Kuaro,

Gn Kelua, Kec Samarinda Ulu

Dialogue Co-Chairs

- Lyndall Bull, Food and Agriculture Organization of the United Nations
- Aldrianto Priadjati, Borneo Orangutan Survival Foundation
- Nanang Qasim, PT Restorasi Habitat Orangutan Indonesia
- Fernanda Rodrigues, Brazilian Forests Dialogue
- Mustofa Agung Sarjono, Universitas Mulawarman

Dialogue Goals

- Clarify ecosystem restoration needs and identify relevant stakeholders in Kalimantan, define priorities for forest sector engagement in ecosystem restoration, and co-create paths forward to achieve positive ecosystem restoration outcomes in the region.
- Bridge understanding and foster coordination between global goals, national commitments, and restoration actions on the ground.
- Build understanding of successful ecosystem restoration approaches, coalitions, and private forest sector engagement.
- Advance thinking and develop a cohesive strategy for how the forest sector can collectively contribute to restoration discussions, policies, and investments at global, regional, and national levels.
