

The Forests Dialogue

STEERING COMMITTEE MEMBER

Ivone Namikawa

Ivone works in Forest Sustainability at Klabin SA. She plays a leading role in the company's local, regional, and global engagement with non-governmental organizations, sector associations, and multistakeholder dialogues. Ivone represents Klabin at the FSC – Forest Stewardship Council, TFD - The Forests Dialogue, in different Committees at IBA – Brazilian Tree Industry, and the Brazilian Coalition for Climate. Ivone has extensive experience in Forestry. She has been working with the Klabin Sustainability staff for eight years. Her career at Klabin developed by working as a Tree Breeding Specialist for fifteen years and a Forest Research and Environment Coordinator for ten years.

Ivone holds a BSc in Forestry from Sao Paulo University (ESALQ-USP) and a MSc in Forestry from the Federal University of Paraná in Environment and Forest Management.
