

Policy

What Kind of Policy Expected:

More efficient procedure for the people:

- Permits (HR, HTR, Village Forest)
- Sales

Incentive :

- Tax holiday (PBB) on community forest

Infrastructure :

- Access to community forest

Pro-LCF Budget Allocation Policy:

- For institutional building and capacity improvements
- Timber inventory and area mapping
- SVLK audit cost

Affecting budget politics policy:

- Green Procurement (make market accessible)

The Procedure :

Disclosing, documenting and promoting forest management practices to CLF :

- Economy (Timber, Non-Timber, Area Economy)
- Social
- Ecology
- PAD (forest as well as industry)

Building farmer organization/ community forest operator (Association, Federation...) ex. AKATRI

Seizing the authority of affirmative local political powers

Improving regional government capacity to be able to produce pro-CLF policies
