AGENDA

The Tanzania Land Use Dialogue (LUD)

Kilombero Landscape 9-11 July 2019

Dialogue Location: Ifakara, Tanzania

Dialogue Objectives

- Identify synergies and challenges between various stakeholder's natural resource priorities over farming and grazing land;
- Promote effective Natural Resources governance, focusing on forests and riparian zones;
- Foster community participation and leadership in reducing conflict, conserving forest, reducing deforestation, preventing land & water degradation, in support of sustainable management efforts along REDD+ goals.

Dialogue Co-Chairs

1. **Dr. Stephen Nindi** (NLUPC)
2. **Pastor Magingi** (AWF)
3. **Amran Seki** (Farmer, Kilombero)
4. **Mr. Robert Selasela** (Kilombero District Council Office)
5. **Mr. David Munkyala** (Rufiji Basin)
6. **Ms. Willa Haonga** (Kilombero Sugar Company)

Dialogue Facilitators

- **Dr. Hilde Msita** (Tanzania Agriculture Research Institute)
- **Doyi Mazenzele** (IUCN Tanzania)
- **Gary Dunning** (TFD)
