

The Forests Dialogue (TFD) Dialogue on Investment in Locally Controlled Forestry

Teresa Sarroca
Program Manager
The Forests Dialogue

1-4 December 2009
Skopje/Ohrid, Macedonia

Welcome

Co-Chairs:

Ruth Martinez

Max Ooft

Lennart Ackzell

Facilitator:

Markku Simula

Sponsors

The World Bank

" IUCN

" FAO

" World Bank

" IIED

" CEPF

Introductions

” Name

” Organization

(We need your contacts)

TFD

Founding

- “ Civil Society and Private Sector Leaders

Mission

- “ MSD platform for leaders to pursue SFM, build trust, share learning and seek collaboration

Structure

- “ Steering Committee
- “ Secretariat

TFD Initiatives

Priority SFM Issues

- " Forests and Climate
- " Investing in Locally Controlled Forestry
- " Free, Prior, and Informed Consent
- " Forests & Poverty Reduction and Rural Livelihoods
- " Intensively Managed Planted Forests
- " Illegal Logging and Forest Governance
- " Forests and Biodiversity Conservation
- " Forest Certification

TFD's M.O.

(modus operandi)

TFD's Mission

To address significant obstacles to sustainable forest management through a constructive dialogue process among all key stakeholders.

TFD's approach is based on mutual trust, enhanced understanding and commitment to change.

Our dialogues are designed to build relationships and to spur collaborative action on the highest priority issues facing the world's forests+

TFD's M.O.

(modus operandi)

TFD Operates under the Chatham House Rule

"Participants are free to use the information received, but neither the identity nor the affiliation of the speaker(s), nor that of any other participant, may be revealed".

TFD's M.O.

(modus operandi)

Spirit of Participation

- ” Active Listening
- ” Constructive, solution oriented Interventions
- ” Participate as individual
- ” Help define and own the outcomes

Origins of this dialogue

- “ Previous dialogues: IMPF, small landowners, pro-poor forestry
- “ Growing Forest Partnership
- “ Connections between %north+ and %south+

Expected Outcomes

Improved knowledge sharing

Stimulated learning to assure active bottom-up participation

Improved trust among key stakeholders

Expected Outcomes

4. Platform to link national processes and partnerships with international dialogue
5. Identified catalytic actions
6. Improved understanding of needs and challenges

Definitions

Locally Controlled Forestry

LFC:

- “ Is carried out by Indigenous Peoples, smallholders, community groups, and forest-dependent peoples
- “ manages or grows forest resources and runs enterprises based on forest goods or services;
- “ groups have substantial decision-making power and control of the forest land base

Definitions

Investment

- " *Investment* is the active redirection of resources:
- . from being consumed today, to creating benefits in the future;

Definitions

Investment in the context of LCF

- “ Investment can be made in securing forest rights, creation of new forest resources, management of forests, production and processing facilities, infrastructure, as well as in development of human resources.
- “ Investment covers a wide range of actions that include capacity building, governance, recognition of rights and finance, among others.

TFDs ILCF Dialogue Process

- ” Brussels Scoping dialogue
- ” Three regional field dialogues
 - . Panama
 - . Nepal
 - . South Eastern Europe

Family and Community Forestry

Local control for better sustainability

Peter de Marsh and Lennart Ackzell

At Present

- One billion people
- One quarter of the world's forests
- Global Alliance for Community Forestry
- International Family Forestry Alliance

A C

Multiple uses, including Climate Change

- \$75-\$100 billion/year in goods and services
- Broad range of environmental, social, cultural, and spiritual benefits
- A key part of the climate change solution: sequestration, storing and substituting

Background Paper

Atilla and Makedonka

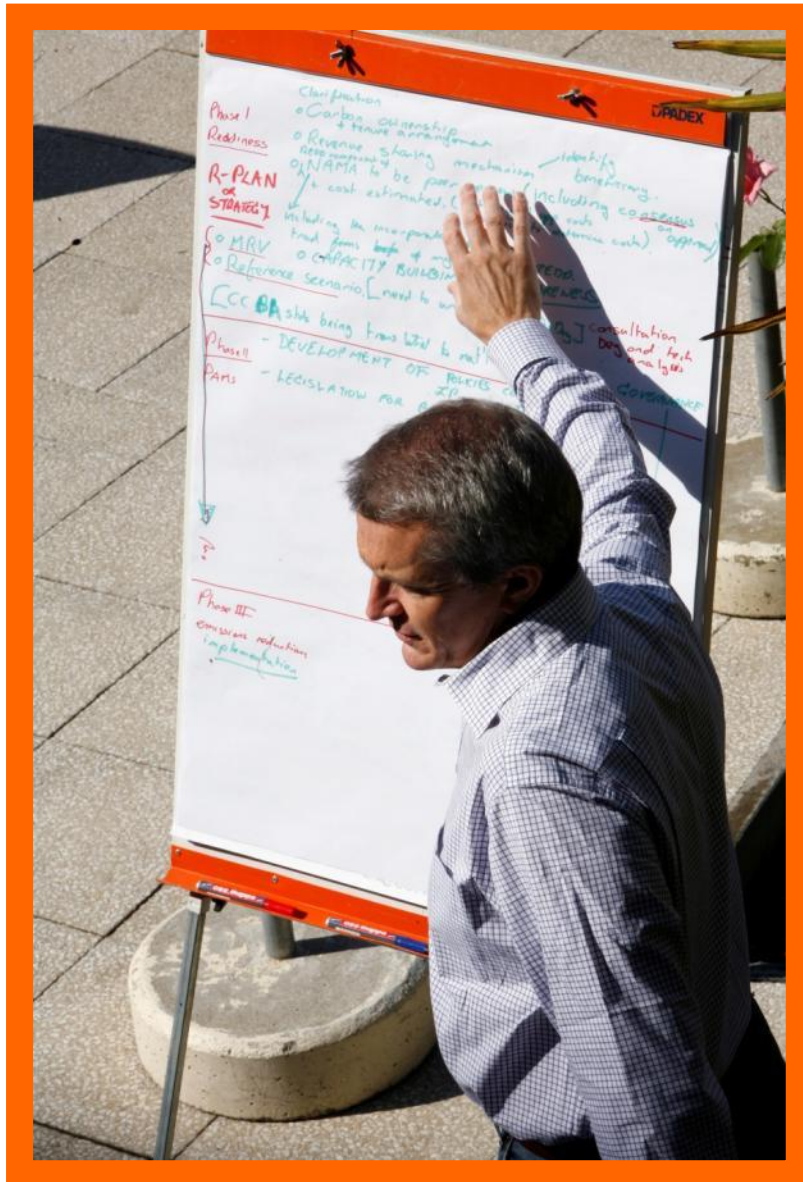

Key Questions

1. What form of local control (decision making power) is there?
2. What are people doing in the forest and for what purpose?
3. What is stopping and helping people make good decisions?
4. How are people organizing themselves?

Field Program

Tuesday 1 December – Day 1

- 10:15 Depart Skopje for the field
- 12:00 Arrive at Novo Selo for lunch
- 14:00 Leave Novo Selo
- 15:00 Arrive at Godivje - forestlands
- 15:20 Meet local forest owners at Godivje's communal center
- 16:20 Leave Godivje
- 17:00 Check in at Gorica Hotel

Wednesday 2 December – Day 2

- 8:00 Depart for the field
- 8:30 Visit small private saw mill
- 9:30 Visit local hunting organization
- 10:40 Arrive at Ela Mak, private saw mill in Ohrid
- 12:45 Visit Vevcani
- 13:30 Lunch at Vevcani
- 15:30 Return to Gorica Hotel
