- Lack of laws

Group B

What are the challenges to ensuring local communities effectively engage and benefit from tenure reform?

- Lack of laws/regulations
- Lack of law enforcement when laws are created
- Unequal playing field: Capacity and knowledge needed to engage in the process
- Capacity-building for independence, ownership, and sustainability
- Overpassing self-reflection and not valuing traditional knowledge
- Cost of formalizing land: loss of land
- Need to look at bundle of properties in addition to bundle of rights
