

WHAT ARE THE PRACTICAL
OUTCOMES OF THE TENURE
REFORM PROCESS FOR ALL
STAKEHOLDERS?

Group D: A Diversity of Perspectives

KEY POINTS

- **Local Communities/Indigenous peoples: Self-determination**
 - Informed of all tenure values and benefits (e.g. ecosystem services, finances)
 - Making decisions based on what values to realize
- **Private Sector: Long term security of supply**
 - Revision of concession model
 - Achieve scale required to make investment decisions through other models of tenure
- **Governments? We are missing their decision-making criteria.**
- **Global good: Conservation of biodiversity and ecosystem services**
