Objectives:

- Develop and understanding of the current state of REDD+ Benefit Sharing in several key countries to identify the challenges of designing and implementing those mechanisms more broadly;
- Build a “community of practice” among locally-rooted, well-connected REDD practitioners to share experiences and develop practical tools that support effective, efficient and equitable benefit sharing for REDD+;
- Promote appropriate economic, policy and institutional arrangements at the local, national and international levels to facilitate equitable and efficient delivery of REDD+ Benefit Sharing mechanisms.

Dialogue Co-chairs:
Chris Buss- International Union for Conservation of Nature (IUCN)
Diji Chandrasekharan Behr- World Bank
Ghan Shyam Pandey - Global Alliance of Community Forestry (GACF)
