Unigraha Hotel, Kerinici, Indonesia

Dialogue meeting Thursday and Friday based out of

Pangeran Hotel, Pekanbaru, Indonesia

TPL Dialogue Co-Chairs

- Aditya Bayunanda – WWF, Indonesia
- Marcus Colchester – Forest Peoples Programme
- Lucita Jasmin – APRIL
- Rulita Wijayaningdyah – KAHUTINDO

Dialogue Objectives

We will be revisiting the location of the 2007 [IMPF dialogue](#) in Indonesia with the following objectives:

- Consider the design and implementation of plantation forests in the context of jurisdictional and landscape approaches;
- Review approaches to enable good governance and inclusive development and understand the potential of plantation forests to contribute to the global development agenda;
- Identify key externalities associated with the development and management of plantation forests;
- Learn about and encourage adoption of new practical solutions to specific contextual challenges (ie, peatland management, land tenure and dispute resolution, social forestry, restoration etc.);
- Explore the diversification of the forms and species composition of plantation forests; the sustainability of plantation forestry systems; and access to and use of new technologies.
